

PKIDs Educator Survey Protocol

The purpose of this survey is to learn more about your experiences with the PKIDs Infectious Disease Workshop. The information gathered here will be used to improve upon the existing program, and your opinions on how we might accomplish this are very important to us. The survey will take approximately ten minutes to complete, and all responses will be kept strictly confidential. For each question, circle yes or no and provide any additional information, if applicable.

1. Do you feel the workshop presented material in a manner easily understood by your students? Grade you teach: _____	Yes	No
